Quality assurance and enhancement is the continuous process, for which Internal Quality Assurance Cell (IQAC) has been constituted . IQAC has evolved mechanisms and procedures for the predefined objectives, by formation of the corresponding committees.

Effectiveness of IQAC is brought in by setting goals; monitoring and analyzing results by feedback & improving accordingly by modified mechanism.

Overall SWOT analysis of the institution is done, considering the peer team report by NAAC.

Redressal of grievances or issues identified as hurdles to the progress of the institution is also expected to be taken care of.

Quality and excellence are results of team work leaded by the leaders like principal and coordinator of IQAC. However the leaders should work on the guidelines of IQAC with proper realization of the democratic role of IQAC and accountability of their own role. This can be brought in by making the IQAC statutory and mandatory apex body of the college .
